Schneider World, Incorporated, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Walking on Water is the refreshing, frequently colorful autobiography of Tyler Nassau, one of North America s leading entrepreneurs. Prior to founding his immensely successful renewable energy company in 2004 he had already launched a record label, an advertising firm, and a television production company. Since then, Tyler has created a multinational energy company with a \$2 billion dollar global development portfolio, taken it public and sold it to s US multinational - all whilst flying under the radar of the competition. In this book he shares with you his philosophy on what it takes to start a company, take it public and sell it to the highest bidder, using real life experiences and practical applications that he has learned on the road to success and the decisions that allow you to avoid the pitfalls along the way. If you are about to start a business, or are already knee deep in the trenches, you will find immense benefit in his tips and tricks and be inspired to never give up on your goals. There will always be people that will try to tell you you re insane, but if you have faith in yourself and take to hear the lessons inside this book you will see that you can achieve almost anything.
