Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

I AM TOO ABSOLUTELY SMALL FOR SCHOOL

Hachette Children's Group. Board book. Book Condition: new. BRAND NEW, I am Too Absolutely Small for School, Lauren Child, Charlie's little sister Lola is nearly big enough to go to school.but Lola is not so sure. She thinks it probably would be useful to read and write and count, but she doesn't really have time for lessons - she's much too busy doing extremely important things at home. And anyway, Lola's invisible friend, Soren Lorensen, is slightly nervous about going to school. For the first time, this original Charlie and Lola story is available as a chunky board book that's just right for little hands. This wonderfully imaginative tale of starting-school worries is perfect for sharing with the very youngest Charlie and Lola fans.
