

Snow Job: An Arthur Beauchamp Novel

By William Deverell

MCCLELLAND STEWART, United Kingdom, 2010. Paperback. Book Condition: New. Reprint. 176 x 108 mm. Language: English . Brand New Book. In bestselling Deverell's latest hilarious mystery, Arthur Beauchamp moves to Ottawa, and all hell breaks loose Arthur Beauchamp has followed his wife, the leader and first elected member of the Green Party, to Ottawa. But he hates it there: the cold, the politics, and his place in his wife's shadow. So when a delegation of government officials from Bhashyistan is blown sky high on Bronson Avenue and the shares of a Calgary-based oil company promptly drop like a stone, Arthur is only too happy to jump to the defence of the missing suspected assassin. Deverell's latest Arthur Beauchamp novel cranks the wily old lawyer's adventures up several notches, and then some. It's wildly imaginative, utterly Canadian, and irresistibly funny. From the Hardcover edition.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
