Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Alaska: Its Waters, Land and Life I Cannot remember the name of that special agent, who suggested to the Forty-first Congress that Alaska be abandoned by the United States upon the ground that it was an unprofitable investment, but whoever he was I will hazard the opinion that, at the time of writing his report, he had never made a tour through the inner passage. That he had never steamed among the islands and canals which fringe the coast from Dixoa s Entrance, two hundred miles to the St. Elias Range, and thence with a stretch of sea and a northward curve on to Prince William Sound and the Kenai Peninsula. That he had never been thrilled by the experience of such a journey I will warrant, for if he had known such, it passes reason to imagine that he could ever have recommended our parting with what he could not but have recognized will, in time, become popularized as the grandest scenic region of the world. For as far as do the colors and fretwork of a California sunset lie beyond the powers of detailed reproduction by the artist, so do the scenic marvels of these isles and channels surpass the limit of descriptive narrative. From the time that you enter Clarence Strait until you move through Cross Sound again into the North Pacific, you are encompassed by a swiftly changing panorama of surprises. Your first sensations will be that you have strangely stepped off the ocean and are making a journey through inland waters that are not related to the sea. For the fresh scent in the cold, damp air is not the...
