

## Guide to Rebuilding Governance in Stability Operations: A Role for The Military?

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## GUIDE TO REBUILDING GOVERNANCE IN STABILITY OPERATIONS: A ROLE FOR THE MILITARY?

Lulu.com, United Kingdom, 2014. Paperback. Book Condition: New. 274 x 213 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In October 2008, the U.S. Army issued Field Manual 3.07, Stability Operations Doctrine, which identified five key sectors as components of an integrated approach to stabilization and reconstruction (SR) operations—security, justice and reconciliation, humanitarian assistance and social well-being, participatory governance, and economic stabilization and infrastructure. Government, or governance, has a central role in assuring the successful end-states for transition in each of these sectors. This guide focuses on the military's role in rebuilding and establishing a functional, effective, and legitimate nation-state; one that can assure security and stability for its citizens, defend its borders, deliver services effectively for its populace, and is responsible and accountable to its citizens. Neither a handbook nor a checklist, the document provides a comprehensive approach to planning and implementing a program to rebuild governance by U.S. peacekeeping forces during stability operations.
