This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.When Tammy Rodrigue, known as Louisiana Sassy on the archery circuit, rolled into Bear Paw, Michigan, for the archery competition, Tournament of Trouble, she never expected to be considered a suspect in a murder investigation. Sure, the victim was killed via an arrow through his heart with the same white and pink fletches (feathers) like Tammy uses, but she had just come to town. She's tough as nails and not about to be intimidated by anyone, not even the local archery hot shot, Daniel Adams, who turned out to be the man under the mask. Tammy and her tag-along friend, Dixie, slid their way into town amidst a snowstorm and took shelter at the local restaurant, Hidden Pass, run by a kind senior citizen, Margarita Hickey, who offers them a place to stay. As it were, Margarita was down on her luck and her business had gone on hard times. She's impressed when Tammy spices up the chili she ordered with her own brand of spices that she always carries with her. As Tammy and Dixie begin to poke into Sheriff Simon Price's murder investigation, they discover there are more secrets in this town than what's hiding out in the Bayou back home. Margarita, not one to be left out in the cold, tags along, too....
