Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

TUNEIN (HARDBACK)

Balboa Press, United States, 2012. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Some people tune cars, trucks and other machinery. Others tune pianos, organs and other musical instruments. This is the story of a man who is able to tune the bodies of people and animals that are very sick or very seriously injured. Tunein is the fictional story of a young boy with a very special gift of healing, who too soon has to become a man. Rod Harris, a farm boy from Iowa, is involved in a series of life-changing adventures that affects the lives of many, many people, and in the process finds a trusted best friend in the form of a young architect who is on his way up the economic ladder. In an act of service, he meets the woman who will become his eternal companion, and a doctor who plays a major role in his life. The story has plenty of intrigue and suspense, but overall is a light and very enjoyable read. There is a thread of continuity in the book that makes the novel a real page-turner, as Rod discovers that his gift is an ongoing one, passing from generation to generation. He also discovers, in his relationship with nurse Amy Rollins, who later becomes his wife, that he is more than just a farm boy from Iowa, and in fact, that he is destined for great things in his life. Later in life, a revelation comes, slowly but unmistakably, that life exists after death, and he is able to give great comfort to his loved ones as he unfolds for them the experience that taught him that this principle is more than just a hope or a dream. Along the...
