National Science Teachers Association, United States, 2012. Paperback. Book Condition: New. 246 x 231 mm. Language: English . Brand New Book. Kids who want to know all about animals will find this book fascinating. What Does an Animal Eat? offers insights into two special aspects of hungry animals: how their teeth and beaks offer clues to what they eat and the food chain s role in helping to make sure there s enough for all. Illustrated with detailed drawings, the book s simple explanations lay the foundation for a deeper understanding of animal adaptation and the need for human help to protect the food chain. What Does an Animal Eat? is part of the I Wonder Why book series, written to ignite the curiosity of children in grades K-6 while encouraging them to become avid readers. These books explore the marvels of animals, plants, and other phenomena related to science and nature. Included in each edition is a Parent/Teacher Handbook with coordinating activities. The I Wonder Why series is written by an award-winning science educator and published by NSTA Kids, a division of NSTA Press.
