Andrews McMeel Publishing, United States, 2016. Paperback. Book Condition: New. 261 x 246 mm. Language: English . Brand New Book. After many years of searching, artist James Gurney discovered in a used bookstore a never-before-seen journal by the nineteenth-century explorer Arthur Denison. Denison s previous travel accounts, published as *Dinotopia: A Land Apart from Time* and *Dinotopia: The World Beneath*, introduced a lost island where dinosaurs and humans live together in peaceful interdependence. Now Professor Denison and his saurian companion, Bix, set out on a perilous journey to the forbidden empire of Chandara. When their personal invitation from the emperor goes missing, they are forced to cross the border penniless and in disguise. Every step of the way, Denison documents in exquisite detail and the creatures, characters, and architecture he encounters: a village composed of three ships propped by on end, a fifty-foot-tall Brachiosaurus outfitted for fire fighting, an Allosaurus tending its hatchlings, young pilots air jousting on giant pterosaurs, and much more.
