THE BOOK OF CHANGES: STORIES

Groundwood Books, 1994. Soft cover. Book Condition: New. 143 pages. From Publishers Weekly: Seven fresh tales from the author of *Some of the Kinder Planets* focus on what seem to be ordinary events: a frantic search for inspiration for a class project, a chance to appear a hero to a younger child, the tyranny of a class bully. Yet with his prowess for crafting each tale so that it neatly comes full circle, Wynne-Jones makes the quotidian well worth reading about. In "Dawn," the standout of the volume, two strands of plot are affectingly joined together. Here a boy named Barnsey is traveling on a bus when he meets Dawn, who lets him listen to a special audiocassette. Days later, after learning that his parents are divorcing, the boy discovers that while he slept Dawn had slipped the tape into his bag, and he is able to pass her soothing gift on to his hurting father. The characters' on-target thoughts and banter attest to the author's familiarity with-and compassion for-today's kids. Ages 8-12. Copyright 1995 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title. From School Library Journal Grade 5-9-Like the various hexagram combinations of the I Ching, around which a school project in the title story revolves, these seven short stories hold wonder and fascination for inquisitive readers. Wynne-Jones invents a nine-eared, purple-Mohawked oracle; a Chinese warlord with a penchant for cranberry juice; a bully mesmerized by a Donald Duck impression; a frantic teen who pursues his "developmentally challenged" uncle through the neighborhood one pleasant Saturday morning; a young TV Guide salesman who runs away from his customers and finds an articulate little girl desperately in need of a big brother; and a fourth-generation hockey star who confesses to...
