BookSurge Publishing. Paperback. Book Condition: New. Perfect Paperback. 236 pages. Dimensions: 10.0in. x 7.0in. x 0.5in. Take an interactive astral walk with Mr. Gregory as walks with you through the channel of your own thoughts to understanding the relationships of micro and macrocosmic action in response to your own life blueprints. Mr. Gregory assists you in integrating your personal blueprint to find your purpose in daily life, on this, the physical plane of existence, as you strive to live in the spirit. As you ask a question, and use one form of Cartomancy divination, a tarot drawing, combined within the contextual system of astrology. The reader of this book peeks into a snapshot of their future. The person requesting the answer, the Questioner, can then take any part of the answer and act upon it. For it is the mirror of self as seen from the outer dimensions of influence beyond control of their own desires, needs, activities, and moods. Through the process of skill building exercises for beginners to this path and those already living life in this context. You get a record of the operations in the possession of the journal, your walking stick of measurement that enables you to gauge the road ahead and make your own destiny as you see fit. While you are on this chosen road of initiation, this record, when actively used, helps to mark your progress as you note observations and experiences to prevent past mistakes and misgivings. The answer, once received from the reading comes in the formatted lexicon of keywords, which translate into any language the common person can understand according to their level of maturity. Tarastrology enables you to make objective choices about what you want verses what you need, and live more fully in the moment. Mr. Gregory describes...
