Excerpt: .of results may as well leave these bonds which have an extra high current income to other investors who place exceptional weight on that point. The bonds having a low current annual income but a higher yield according to the bond tables are more to his advantage in the end. Or, to come at the matter from the opposite direction, bonds paying a low rate of interest are likely to be a better bargain than bonds paying a high rate of interest but showing the same yield. A 4 bond yielding 6 is likely, other things being equal, to be a better bond than a bond yielding 6 . A 4 bond yielding 6 is probably entitled to as good an investment rating as a 6 bond yielding 5.75 or even less. The investor will of course bear in mind that this is only...
