If You Voted for Barack Obama in 2008 to Prove You re Not a Racist, You Need to Vote for Someone Else in 2012 to Prove You re Not an Idiot explains why the voters of the United States need to elect someone besides Barack Obama to lead them. From the economy to scandal laden stimulus initiatives to favoritism toward unions at the expense of everyone else to foreign policy to radical Islam to the treatment of Israel to Obamacare to green energy scams to Gunwalker (a.k.a., Fast and Furious), President Obama has proven over and over again that he isn t made of presidential timber. Even more, his adolescent tendencies prove that he doesn t have presidential temperament. In a nutshell, electing Barack Obama to serve as President of the United States in 2008 was a terrible mistake-one that needs to be rectified in the 2012 presidential election.
