GIVE ME SHELTER

Frances Lincoln Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Give Me Shelter, Tony Bradman, The phrase 'asylum-seeker' is one we see in the media all the time. It stimulates fierce and controversial debate, in arguments about migration, race and religion. The movement of people from poor or struggling countries to those where there may be opportunities for a better life is a constant in human history, but it is something with particular relevance in our own time. This collection of short stories shows us people who have been forced to leave their homes or families to seek help and shelter elsewhere. Some are about young people travelling to other countries, others are concerned with children left behind when parents are forced to flee. These are stories about physical and emotional suffering, but also about the humanity of some people from host countries who act with generosity and sympathy.
