Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE BRONZE BUDDHA: A MYSTERY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Bronze Buddha: A Mystery A palm of enormous height stands in a maze of pampas grass. A great vulture hovers half way down the trunk. At its base a tiger lolls lazily beside his dead prey, - a negro mutilated and bleeding sprawled in the tiger s paws. The hot sand reflects a brassy yellow light. The atmosphere seems choking with intense heat. Such was the wonderful picture of the great Russian painter before which I stood silent and motionless. It thrilled and fascinated me. I had come upon it suddenly as I turned a corner, and its tropic splendor, its human tragedy, its animal triumph and prophecy, touched me to the quick. As I still stood there absorbed in deep thought, a most peculiar voice, - a voice so distinct yet so low, that it would remind you of an echo in a whispering gallery, said gently in my very ear, - If this pleases you, what do you think of the bronze god who presides over such scenes? I turned with a start and saw a man whose face I hope you will never forget. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
