Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How did the Soviet Union fall? The story explores its history as a system that was designed to fail. The discussion is staged at a time before the Soviet Union collapsed, when its existence could have been saved on the basis of principles that were not sufficiently understood at the time, just as the entire western economic, financial, and political system is presently collapsing for the same reason. The Soviet Union was destroyed from within by a silent war that the leaders did not recognize, and so is the West falling into the same trap. The trap should be obvious. War has a single purpose; to enable the rich to steal from the poor, such as in wars over oil. That's the song of empire. For this purpose, progressive cultures are destroyed to protect the thievery system of empire. World Wars have been staged for this purpose that have destroyed entire continents and fostered impotence for the protection of empires. For this still-continuing purpose, Russia and China are declared in the West the #1 enemy, slated for destruction with nuclear war. The fall of the Soviet Union could have been prevented with advanced humanist policies, but it wasn't, for the lack of interest. Likewise, the fall of humanity can still be prevented, but it may not, for the same reason, with ensuing tragedies that very few people may survive, if any. That's the story of our history. The frame for the story presented in this book, is a fictional, international peace conference organized by the youth of the world, convened in Russia in a city on the Black Sea. The entire story unfolds onboard of...
