Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

DESERT TALES

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 226 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.During the terrible drought in the 1980s which gripped East Africa, squeezing her people, animals and the very landscape dry, I took a group of medical people to help a nomadic tribe in Sudan battle for survival. The Hadendowa, a branch on the Bega family tree, wander with their camels and goats in small groups through the arid land from the Eritrean Mountains to the Red Sea. Their forefathers established camps and resting places along ancient routes where water could be found. Today they still congregate around the same deep, hidden wells, to wait out the season of sandstorms while the desert whirls and churns, the sea of sand is whipped by a hot wind, and whole dunes fly through the air as if they are no more than handfuls of dust. The nomads laugh at our inability to cope with flying sand. Malesh! they say. Never mind! It is a habit of Allah s to crumble mountains and scatter dunes once or twice a year. Inshallah! They teach us, who came to teach them, how to lean against the wind, and wrap long turban cloth around our heads and faces, leaving only slits for the eyes to see through. They try to make us laugh at Allah s show of power when he is busy reshaping the land for his people, the Hadendowa. Over time villages sprang up around the deepest wells, houses and compound walls made from mud-straw bricks shaped by ancient know-how and baked hard in the desert sun. I acquired the largest house in the village Tokar from a Sudanese merchant who now held a government post and lived in a villa in...
