Always enjoying the challenge of trying her hand at different sports, she discovered track cycling in July of 2011. After failing to make her mark in anything from shot putt to surfing, it finally seemed she had found something she was good at. Then two months later she became pregnant. Her return to form came so much quicker than anyone could have expected, winning a National Medal just 6 weeks after the birth. She added others in the following months and went from strength to strength culminating in winning a title in the Individual Pursuit at the World Masters Track Championships in Manchester just a few months after Tori arrived. She had somehow managed to achieve her lifelong goal...
