Abrams, United States, 2015. Paperback. Book Condition: New. 235 x 152 mm. Language: English . Brand New Book. Every week we pile our rubbish out on the pavement. We go to work and when we return it's gone. Like magic! The reality is anything but, of course. *Trashed*, Derf Backderf's follow-up to the critically acclaimed, award-winning national bestseller *My Friend Dahmer*, is a working man's epic. An ode to the crap job of all crap jobs--but anyone who has ever been trapped in a soul-sucking gig can relate to this tale. *Trashed* takes place after Derf graduates high school, when he and his childhood pals find themselves working as garbage men in their Midwestern hometown. Together they clean the streets of pile after pile of stinking garbage, overcoming the unique difficulties of each season and battling small-town bureaucrats and nuisances, all while trying to decide what they want to do with their lives. Interspersed are non-fiction pages that detail the history of trash, the staggering volume of garbage that is produced every day, the nuts and bolts of how our trash is disposed of beyond curbside recycling and what happens to it once it's removed from our houses, our streets and our office buildings. Inspired by Derf's own experiences, *Trashed* (like *My Friend Dahmer*) is a hilarious, stomach-churning, in-depth examination of this vast, unknown world, taking readers to a place they have never been before, in a way that only Derf, and comics, can.
