By Maynona Blackmon Johnson

Outskirts Press, United States, 2008. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What really happens when Christians judge others? If you are honest with yourself, would you admit that you or someone you know battle with judging others, even though you are a Christian? Are you aware of the destructive fruit you birth or promote when you judge others? Do you really know what happens in the Heaven lies after you've judged someone else? If you or someone you know is battling these spiritual issues, this book is for you. This book will provide answers for anyone who battles this spiritual issue, and it will inform you of diverse levels of misjudging in the Body of Christ. Christians cannot maintain a healthy, spiritual lifestyle while entertaining a judgmental spirit. Nor can we present ourselves as positive influences in the presence of non-believers. Speak and act as those who are going to be judged by the law that gives freedom, because judgment without mercy will be shown to anyone who has not been merciful. - Jam. 2:12 (NIV).

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
