An Introduction to the Principles of Industrial Administration (Classic Reprint)

By A P M Fleming

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Introduction to the Principles of Industrial Administration An elementary general knowledge of the underlying principles of administration is useful to all persons engaged in industrial employment. More particularly is such information essential to those who are undergoing some form of training designed with the object of fitting them ultimately to occupy positions of responsibility in industry. Equally important is a knowledge of the fundamentals of industrial organization to those who, while not actually engaged in industry, are nevertheless affected by the manner in which it is conducted. An attempt is made in the following pages to present in simple form that general survey of industry which such students require, and which is an introduction to the study of more specific aspects of the problem. The volume is therefore addressed to students of industrial technology, both in universities or technical colleges, and in industry; to students of economics and sociology; to teachers in evening schools, continuation schools, and works schools who desire to know something of the conditions under which their students in industry are...
