CHRIST OR CHAOS

CROSSWAY BOOKS, United States, 2016. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. Is Christianity irrational? Atheists often say that it is. But does such a charge really stand up to close scrutiny? This book follows the story of Thomas, a junior in college, as he wrestles with the claims of those who think the Christian faith is nothing more than a collection of ancient myths with little connecting to reality. Whether you are facing objections to your faith for the first time, simply discussing your faith with unbelieving friends, or doubting your faith altogether, you might be surprised to discover that Christianity actually offers a more compelling explanation of what it means to be human than atheism could ever hope to provide.
